

# GLOWLOGICS

Learn Grow Glow with us..

अखिल भारतीय तकनीकी शिक्षा परिषद्  
All India Council for Technical Education  
Internship Partner

# About us

## *Who We Are:*

Glowlogics Solutions is a **government-verified MSME and Startup India-recognized company offering ISO-certified internships. In partnership with Techfest, IIT Bombay**, we are committed to fostering innovation and skill development, providing practical, industry-relevant education

## *Our Vision:*

To make quality education accessible and affordable, enabling individuals to grow personally and professionally in the digital age.

## *Our Mission:*

To empower students with real-world skills that are aligned with industry demands, ensuring a seamless transition from education to employment.

# Our Core Offerings:

## Industry-Aligned Curriculum

Our Program are designed in collaboration with top industry experts to ensure you're learning the most up-to-date and relevant skills. We focus on both foundational concepts and cutting-edge technologies to prepare you for the real-world challenges of modern engineering.

## Comprehensive Training (100+ Hours)

Dive deep into specialized training that covers everything from core engineering principles to advanced topics like AI, machine learning, data science, and more. Our hands-on projects and case studies help you build a robust skill set.

## Expert Mentors and Instructors

Learn from experienced professionals who have worked in top engineering firms. Our mentors guide you throughout your learning journey, providing industry insights and personalized feedback.

## Practical Projects and Real-World Applications

Work on industry-relevant projects that give you the hands-on experience you need to succeed. From designing engineering systems to solving real-world challenges, you'll develop a portfolio that showcases your expertise to potential employers.

## Flexible Learning Options

We offer multiple learning formats to fit your schedule. Whether you prefer online learning, hybrid sessions, or in-person classes, you can choose what works best for you.

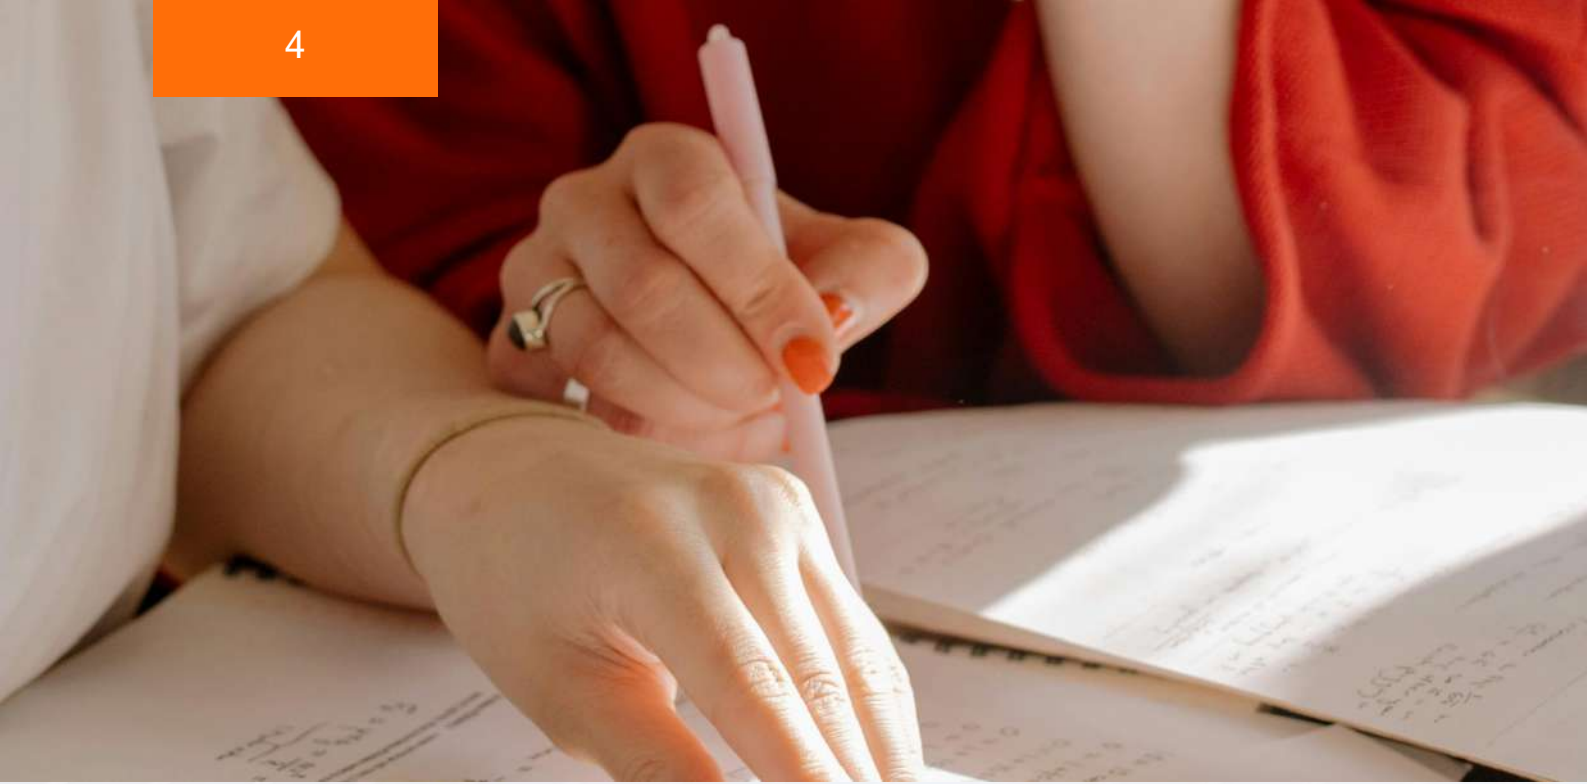

## Assured Interviews

As part of our placement support, we provide assured interview opportunities with leading companies in your field. Our dedicated placement team works tirelessly to connect you with the right employers based on your skills and interests.

## The Course and Curriculum is designed by Mentors from

The Accenture logo, featuring a purple chevron symbol above the word "accenture" in a bold, black, sans-serif font.The Meta logo, consisting of a blue infinity symbol followed by the word "Meta" in a bold, black, sans-serif font.The Microsoft logo, featuring the four-pane Windows logo in red, green, blue, and yellow, followed by the word "Microsoft" in a bold, black, sans-serif font.The Autodesk logo, featuring a stylized "A" made of green and blue geometric shapes, followed by the word "AUTODESK" in a bold, black, sans-serif font.The Philips logo, featuring the word "PHILIPS" in a bold, blue, sans-serif font.The LG logo, featuring a red circle with a white "L" and "G" inside, followed by the letters "LG" in a bold, black, sans-serif font, and the tagline "Life's Good" in a smaller, black, sans-serif font below it.The Capgemini logo, featuring the word "Capgemini" in a blue, cursive script font, followed by a blue circular icon with a white shape inside.The Axis Bank logo, featuring a stylized red "A" symbol followed by the words "AXIS BANK" in a bold, black, sans-serif font.

# Industrial Training Technical Programs

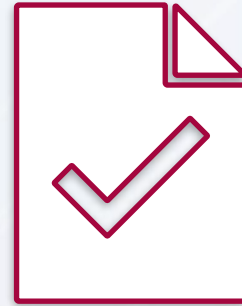

- Artificial Intelligence & Machine Learning
- Data Science
- Cyber Security and Ethical Hacking
- DSA in Java
- App Development
- Web Development
- Full Stack Java
- Cloud Computing
- AutoCAD with MATLAB
- IOT
- VLSI

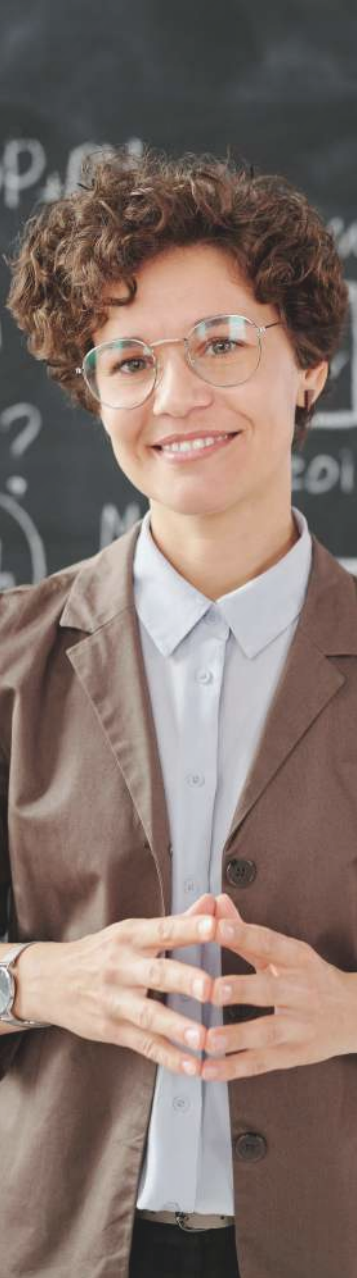

# Non-Technical Skill up Program

- UI/UX
- Digital Marketing
- HRM and Finance
- Accounting
- Advanced Excel
- Leadership and Management

# Our Offerings:

- Industry-Aligned Curriculum
- Flexible Learning Options
- 1-on-1 Mentorship
- 2 Minor and 2 Major Real Time Projects
- Assignments
- Life Time Access of the Classes
- Flexible Learning Options
- Certification and Career Support
- 100% Assistance for Stipend Internship
- Dedicated Placement training Period
- Workshop Access

## Our Students Love Us:

Here's what some of our students say:

**Sarah K., Dhayanand College**

"The courses offered by Glowlogics were a game-changer for me. The hands-on projects and real-world applications helped me not only improve my coding skills but also gain the confidence to apply for positions I thought were out of reach. Thanks to the job placement support, I secured a software engineering role within two months of completing the program."

"I always wanted to transition into the data science field, but I lacked the right skills and guidance. Glowlogics filled that gap perfectly with their structured learning path and expert mentors. The practical experience I gained through their projects helped me land a MNC Internship as a data analyst, and I couldn't be more grateful!"

**Ananya M, RV College of Engineering**

"I'm incredibly grateful to Glowlogics for helping me transition into the field of automation. The comprehensive 100+ hour course, combined with the practical projects, not only boosted my technical skills but also my confidence. Their career support was outstanding..

**Priya T,BVRIT HYDERABAD**

The program's focus on industry-aligned skills and real-world projects was exactly what I needed to upskill. The assured interview feature worked wonderfully for me and lucky me i got opportunity to choose among many!  
Thanks Glowlogics!!!

**Ravi S, Paavai Engineering College**

I'm incredibly grateful to Glowlogics for helping me transition into the field of automation. The comprehensive 100+ hour course, combined with the practical projects, not only boosted my technical skills but also my confidence. Their career support was outstanding.

**Priya T, BVRIT HYDERABAD**

# Why Choose Us?

## 1. Personalised Learning

Our platform adapts to your pace and learning style, ensuring you get the most out of each course.

## 2. Real-World Projects

Build a portfolio of practical projects that showcase your skills to potential employers.

## 3. 100% Job Placement Support

We don't just teach you; we ensure you're job-ready with resume support, mock interviews, and connections with top companies.

## 4. Expert Instructors

Learn from industry leaders with years of experience, ensuring you're getting the best education possible.

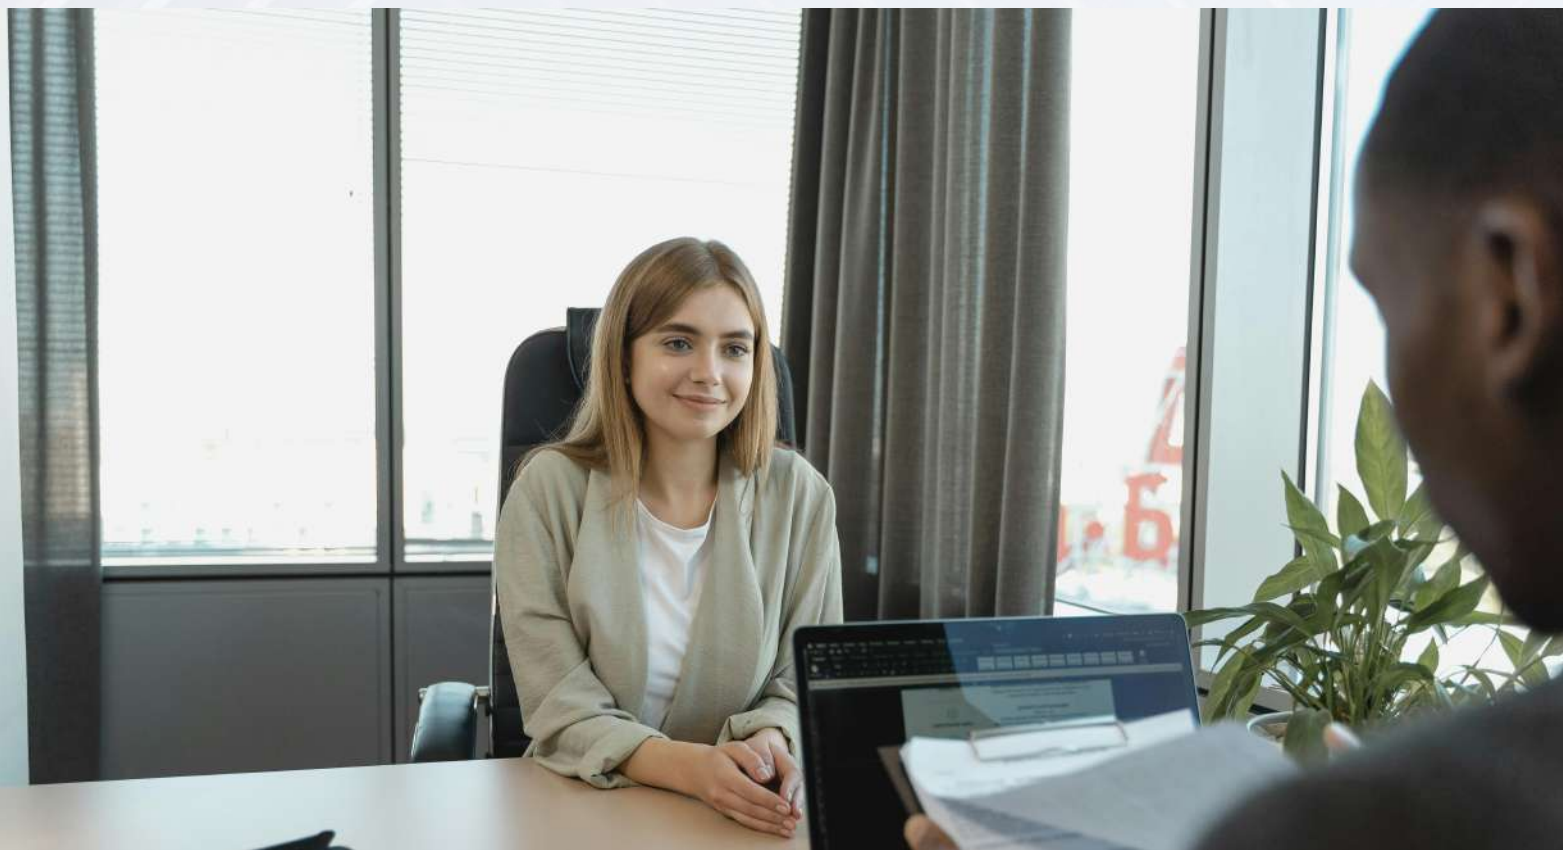

# Career Opportunities:

Our students are prepared for roles such as:

- Software Engineer
- Data Scientist
- AI Engineer
- Cybersecurity Specialist
- Cloud Architect
- DevOps Engineer
- UI/ UX Developer
- WEB Developer
- (Front end/ Back end Developer)

With partnerships across leading companies, we ensure that our graduates are placed in roles that align with their skillsets and career goals.
